

DE LUCA GIUSEPPE

Nato a: Acerra (NA),
Residente a: Novara
Professione: Ricercatore MED/11, Cardiologo Interventista

Sede lavorativa: Facoltà di Medicina e Chirurgia, Novara
AOU Maggiore della Carità, Novara

Tel.: 0321-3733141
Fax: 0321-3733407
E-mail: giuseppe.deluca@med.unipmn.it

CURRICULUM

Posizione attuale: Ricercatore non confermato
Laboratorio di Emodinamica Universitario
Ospedale Maggiore della Carità
Università del Piemonte Orientale
C.so Mazzini, 17
28100 Novara, Italy

Istruzione

1992: Maturità Scientifica: 58/60.
1992-98: Facoltà di Medicina e Chirurgia, Università “Federico II” di Napoli.
Laurea: Luglio 1998, voto 110/110 cum laude.
1997-98: Studente Interno, Dipartimento di Cardiologia, Università “Federico II” di Napoli
2001: United States Medical Licensing Examination
STEP 1, Maggio: voto 93; STEP 2, Ottobre: voto 90.
1999-2002: Specializzazione in Cardiologia, Università “Federico II” di Napoli.
2002-2004: Dottorato di ricerca. Università of Groningen (Giugno 2004).
Titolo: **Primary coronary intervention for ST-segment elevation myocardial infarction**

TRAINING IN CARDIOLOGIA

Fellowship program:

- 1999-2001:** Università “Federico II” di Napoli, Divisione di Cardiologia
 Reparto (3 mesi)
 Ecocardiografia (3 mesi)
 Terapia intensiva coronarica (6 mesi)
 Laboratorio di Emodinamica (12 mesi)
 Laboratorio di ergometria (3 months)
 Dipartimento di Medicina Nucleare (3 mesi)
 Dipartimento di Medicina Interna (6 mesi)
- 2002** Dipartiment odi Cardiologia, Ospedale “De Weezenlanden”, Zwolle, Olanda
 Unità di Terapia Intensiva Coronarica (12 mesi)
 Laboratorio di Emodinamica (12 mesi).
 Ecocardiografia (12 mesi)

Abilitazioni

- 1999:** Abilitazione alla professione medico-chirurgica, voto: 90/90.
- 2001:** Esami di abilitazione alla professione medico-chirurgica negli Stati Uniti D’America
- 2002:** Specializzazione in Cardiologia, voto: 70/70 cum laude.

Attività Clinica:

- Settembre 1996-Luglio 1998** Internato, Divisone di Cardiologia, Università “Federico II”, Napoli
- Luglio 1998-Ottobre 1998** Medico interno, Divisone di Cardiologia, Università “Federico II”, Napoli
- Novembre 1998-Dicembre 2001** Specialista in formazione, Divisone di Cardiologia, Università “Federico II”, Napoli
- Gennaio 2002 - Ottobre 2002** Specialista in formazione, Divisione di Cardiologia, Ospedale De Weezenlanden, Zwolle, Olanda
- Novembre 2002-Febbraio 2005** Cardiologo Interventista, Divisione di Cardiologia, Ospedale De Weezenlanden, Zwolle, Olanda

Febbraio 2005-Marzo 2006	Cardiologo Interventista, Laboratorio di Emodinamica, Ospedale San Luca, Vallo della Lucania (SA)
Marzo-Dicembre 2006	Cardiologo Interventista, Laboratorio di Emodinamica, Università “Federico II”, Napoli, Italia
Gennaio 2007- Presente	Laboratorio di Emodinamica Universitario AOU Maggiore della Carità

PROCEDURE ESEGUITE:

Cateterizzazione cardiaca e coronarografia: 4850

Angioplastica coronarica: 3510 come primo operatore, (453 in pazienti con infarto miocardico acuto).

Contropulsatore aortico: 65

Esami ecocardiografici: 110 transesofagei e 1310 transtoracici.

Test ergometrici e scintigrafie miocardiche da sforzo: 1580

Impianto Pacemaker: 15

Impianto di Defibrillatori: 10

Impianto di Reveal: 3

Pericardiocentesi: 25

Attività di Ricerca

1996-1998:	Internato, Dipartimento di Cardiologia, Università “Federico II” di Napoli.
1999-2001:	Dipartimento di Cardiologia, Laboratorio di Emodinamico e Biologia Molecolare, Università “Federico II” di Napoli.
2002-2005	Dipartimento di Cardiologia, Ospedale De Weezenlanden, Zwolle, Olanda.
2005-2006	Dipartimento di Cardiologia, Laboratorio di Emodinamica, Università “Federico II” di Napoli

2007-presente Dipartimento Cardiovascolare, Laboratorio di Emodinamica, Università del Piemonte Orientale.

2007-presente Dipartimento di Medicina Clinica e Sperimentale, Coordinatore del Laboratorio di Biologia Molecolare della Cardiologia Clinica, Università del Piemonte Orientale

Attività didattica

2003-2005 Dipartimento di Cardiologia, Ospedale De Weezenlanden, Zwolle, Olanda.

Coordinatore del fellowship program in Cardiologia Interventistica.

2005-Presente Docente del Corso di Specializzazione in Cardiologia Interventistica in collaborazione con l'Università Statale di Milano Policlinico

2007-presente Titolare del corso di “Malattie dell'Apparato Cardiovascolare”, Corso di Laurea Triennale in Tecnici di Radiologia, Facoltà di Medicina e Chirurgia, Università del Piemonte Orientale, Novara.

2007 Docente del corso “Cardiologia e protesi endotissutali”, Corso di laurea in Biotecnologia, Facoltà di Medicina e Chirurgia, Università del Piemonte Orientale, Novara.

2007-presente Docente di “Cardiologia Interventistica”, Scuola di Specializzazione in Cardiologia, Facoltà di Medicina e Chirurgia, Università del Piemonte Orientale, Novara.

2007 Docente di “Terapia Intensiva Coronarica”, Scuola di Specializzazione in Cardiologia, Facoltà di Medicina e Chirurgia, Università del Piemonte Orientale, Novara

2007-presente Titolare del corso di “Malattie dell'apparato cardiovascolare”, Corso di Laurea Triennale “Scienze Infermieristiche”, Facoltà di Medicina e Chirurgia, Università del Piemonte Orientale, Novara

2009-presente Titolare del corso di “Malattie dell'apparato cardiovascolare”, Corso di Laurea Magistrale “Scienze Infermieristiche”, Facoltà di Medicina e Chirurgia, Università del Piemonte Orientale, Novara

- 2009** Docente del corso “Cardiologia e protesi endotissutali”, Corso di laurea Magistrale in Biotecnologia, Facoltà di Medicina e Chirurgia, Università del Piemonte Orientale, Novara.
- 2009-presente** Docente di “Semeiotica cardiologica”, Scuola di Specializzazione in Cardiologia, Facoltà di Medicina e Chirurgia, Università del Piemonte Orientale, Novara.
- 2009-presente** Docente di “Terapia Cardiovascolare II”, Scuola di Specializzazione in Cardiologia, Facoltà di Medicina e Chirurgia, Università del Piemonte Orientale, Novara.

PREMI E BORSE DI RICERCA

- 1999:** Roma 11-15 Dicembre, 1999. 50° Congresso Nazionale della Società Italiana di Cardiologia. Vincitore della sessione poster
- 2002:** Baltimora, Stati Uniti D’America. Settembre 2002. Finalista del Premio “Giovane Ricercatore” della Società Americana di Cardiologia Nucleare. Titolo del lavoro:
“The timing of functional recovery of viable myocardium after rrevascularization depends on the degree of resting dysfunction and 201TL uptake in patients undergoing single vessel PTCA of LAD. A three-month and 1-year echo and 201TL SPECT follow-up study”.
- 2003:** Vienna, Austria, 30 Agosto-4 Settembre, 2003. XXV° Congresso della Società Europea di Cardiologia. Vincitore del premio “Poster Moderati”. Titolo del lavoro:
“Primary stenting for AMI in the real world. Zwolle 6 randomized trial”
- 2004:** Monaco, Germania, 28 Agosto-1 Settembre, 2004. XXVI° Congresso della Società Europea di Cardiologia. Vincitore del premio “Giovane Ricercatore”. Titolo del lavoro.

“Randomized comparison between stent and balloon angioplasty in patients with STEMI undergoing primary angioplasty of small vessels. A substudy of the Zwolle 6 randomized trial”.

- 2004:** Roma, 11-15 Dicembre 2004. 55° Congresso Nazionale della Società Italiana di Cardiologia. Vincitore del premio per “Miglior tesi di Dottorato di Ricerca”. Titolo: *“Primary coronary intervention for ST-segment elevation myocardial infarction”.*
- 2005** Amsterdam 12-13 Febbraio 2005. Finalista dell’Enthoven Prize con la tesi di Dottorato di Ricerca. Titolo: *“Primary coronary intervention for ST-segment elevation myocardial infarction”.*
- 2005** Vincitore del Premio Società Italiana di Cardiologia - Fondazione Aventis “Borsa di Studio per la Ricerca Scientifica” con il presente progetto: **“Early vs late PCI in high-risk patients with acute coronary syndromes on the top of clopidogrel and glycoprotein IIb-IIIa inhibitors”.**
- 2005** Washington 16-21 October 2005. Vincitore al TCT 2005 del “The Thomas J. Linnemeier Spirit of Interventional Cardiology Young Investigator Award”.
- 2006** Vincitore della borsa di studio offerta dalla Fondazione ONLUS - Centro per la lotta contro l’infarto. Titolo del progetto: **“Studio PASSION: Polimorfismi dei recettori beta-adrenergici e mortalità in pA_zienti ad alto rischio con infarto miocardio acuto con ST-Sopraslivellato trattati mediante angioplaStIca cOroNarica”**
- 2007** Vincitore del premio Giovani Interventisti, riconoscimento della Società Italiana di Cardiologia Invasiva
- 2008** Scholar in Cardiology of the Italian Society of Cardiology

MEMBRO DI SOCIETA' SCIENTIFICHE

1999: Società Italiana di Cardiologia

2005: ANMCO

2005: GISE

Organizzazione congressi internazionali:

Commissario Scientifico del Transcatheter Coronary Therapeutics, USA, anni 2007-2009,

Membro dell'AMI Working Group per il congresso dell'American College of Cardiology 2010

Altri soggiorni in maggiori Istituzioni italiane ed estere:

Luglio-Agosto, 2000: Laboratorio di Emodinamica, Ospedale St Bartholomew's, Londra, Inghilterra

Agosto-Ottobre 2004: Dipartimento di Radiologia Interventistica, Ospedale, "A. Cardarelli", Napoli

Relazioni, letture magistrali, moderazioni, e angioplastiche in diretta (LIVE CASE):

16-17 Marzo, 2004 2nd Emerging Technique Symposium (ETS). Courchevel, Francia.

Titolo della relazione: "**Angiographic Assessment of Reperfusion in AMI by Myocardial Blush Grade**".

13-15 Maggio, 2004 67^a Conferenza Nazionale della Società di Cardiologia Polacca, Zabrze, Polonia.

Titolo della relazione: "**Facilitated PCI in acute MI**".

16-18 Giugno, 2004 3° Simposio Internazionale sulle angioplastiche ad alto rischio. Incontro con gli esperti 2004, Lugano, Svizzera

Titolo della relazione: "**Primary PCI: The Zwolle Experience**"

2-5 Dicembre, 2004 Workshop Internazionale di Cardiologia "New Frontiers in Interventional Cardiology", Cracovia, Polonia.

Sessione: "Primary PCI: do we need mechanical protection devices during primary PCI?" – **Angioplastica primaria in diretta**

- 2-5 Dicembre, 2004 Workshop Internazionale di Cardiologia “New Frontiers in Interventional Cardiology”, Cracovia, Polonia.
Panel. Sessione: **“PCI for acute myocardial infarction (Part II): Transferring AMI patients from remote hospitals to primary PCI centers: European experiences, model and insights”**.
- 2-5 Dicembre, 2004 Workshop Internazionale di Cardiologia “New Frontiers in Interventional Cardiology”, Cracovia, Polonia.
Panel. Sessione: **“Optimal treatment of patients with NSTEMI/ACS”**.
- 29 Gennaio 2005 Istituto Clinico Humanitas, Rozzano, Milano. “Infarto miocardio acuto e shock cardiogenico. Attualità in tema di trattamento”.
Titolo della relazione: **“L’angioplastica e lo stent coronario nell’infarto miocardio acuto e shock cardiogenico”**.
- 1 Marzo 2005 Istituto Clinico Humanitas, Rozzano, Milano. “Primo Corso di Specializzazione in Cardiologia Interventistica”.
Titolo della relazione: **“L’angioplastica nell’infarto acuto con ST-sopraslivellato”**.
- 21 Aprile 2005 Seminario internazionale “Interactive Update in Interventional Cardiology. Università “Federico II”, Napoli.
Titolo della relazione: **“Current therapeutic strategies in Acute Myocardial Infarction”**.
- 24 Aprile 2005 IX^o Congresso di Cardiologia Interventistica, Varsavia, Polonia.
Titolo della relazione: **“Abciximab in STEMI patients: optional or mandatory”**.
- 14 Maggio 2005 XII^a Conferenza Internazionale in Cardiologia, Zabrze, Polonia.
Titolo della relazione: **“Primary PCI for STEMI: Myocardial Reperfusion”**
- 2 Luglio, 2005 Seminario Interattivo “Il fattore età nel processo decisionale in cardiologia: strategie a confronto.

Titolo della relazione: **Il fattore età nel processo decisionale nei pazienti con infarto miocardio acuto**

21 Settembre, 2005 3th Endovascular and Myocardial Therapy Course. 21-23 Settembre 2005, Madrid, Spagna.

Titolo della relazione: **Abciximab therapy in PCI**

29 Settembre, 2005 XXVI Congresso Nazionale della Società Italiana di Cardiologia Invasiva. 28 September- 1 October 2005, Genova, Italia.

Titolo della relazione: **GP IIb-IIIa nei pazienti ad alto rischio sottoposti a PCI: obbligatori o optional?**

29 Settembre, 2005 XXVI Congresso Nazionale della Società Italiana di Cardiologia Invasiva. 28 September- 1 October 2005, Genova, Italia.

Moderatore. Titolo sessione: **“PCI primaria e DES”**.

6 Ottobre, 2005 VIII Corso Nazionale di Aggiornamento Cardiovascolare “Il Cuore, Oggi e Domani 2005”. 6-7 Ottobre 2005, Paestum, Italia.

Titolo della relazione: **“L’angioplastica primaria”**

18 Ottobre, 2005 17th Annual Transcatheter Cardiovascular Therapeutics (TCT). 16-21 Ottobre 2005, Washington, USA.

Case review with the expert: **Acute Infarct Angioplasty and the Thrombus-containing lesion I:**

20 Ottobre, 2005 17th Annual Transcatheter Cardiovascular Therapeutics (TCT). 16-21 Ottobre 2005, Washington, USA.

Titolo della relazione: **“Importance of Time in Primary Angioplasty I: Zwolle Insights”**

7 Marzo, 2006 “Secondo Corso di Specializzazione in Cardiologia Interventistica”. Istituto Clinico Humanitas, Rozzano, Milano.

Titolo della relazione: **“Novità nel trattamento percutaneo dell’infarto miocardio acuto”**

10 Marzo, 2006 Top Seminar “Gestione precoce del paziente con STEMI”. Reggello, Italia

Titolo della relazione: **“L’angioplastica primaria”**

- 8 Aprile, 2006 CD Rom Invasive Cardiology. Portofino, Italia, 7-9 Aprile 2006.
Titolo della Lettura: **“Adversities in primary PCI”**
- 10 Giugno 2006 13th International Conference on Cardiology. Zabrze, Polonia, 9-10
Giugno 2006.
Titolo della relazione: **“Facilitated angioplasty in the treatment of myocardial infarction”**.
- 21 Giugno, 2006 Regional meeting on Acute Coronary Syndromes. St Gallen, Svizzera, 21
Giugno 2006.
Titolo della relazione: **“Time is Life”**
- 22 Giugno 2006 4th International Symposium on High Risk Coronary Interventions. Meet
The Expert – MTE 2006- 21-23 Giugno 2006, Lugano, Svizzera
Titolo della relazione: **“Chest pain less than 3 hours”**
- 8 Luglio 2006 Linee Guida Interventistica Coronarica Percutanea. Società Italiana di
Cardiologia. Napoli 8 Luglio 2006.
Titolo della relazione: **“L’utilizzo dei sistemi di tromboaspirazione nell’angioplastica primaria”**.
- 4 Settembre 2006. Congresso mondiale di Cardiologia. Barcellona, Spagna, 1-6 settembre
2006
Titolo della relazione: **“Thrombectomy devices should be used in primary percutaneous coronary intervention- Pro”**.
- 22 Settembre 2006 Il trattamento invasivo delle sindromi coronariche acute: I nostri primi
dieci anni di pronta disponibilità. Napoli, 22 Settembre 2006.
Titolo della relazione: **“Il ruolo del tempo nella terapia invasiva delle SCA”**
- 2 Ottobre 2006 Webinar. Seminario di aggiornamento via internet.
Titolo della relazione: **Update on ACS/STEMI from WCC 2006.**
- October 5, 2006 XXVII National Congress of the Italian Society of Invasive Cardiology.
October 3-6, 2006, Genoa, Italy.
Title: **“How to optimize myocardial perfusion in primary PCI?”**
- October 22, 2006 Acute Cardiac Care 2006, October 21-24, 2006. Prague, Czech Republic.

Session:

Title: **“Acute heart failure. In-hospital phase: evaluation for long-term strategies”**.

October 22, 2006 Acute Cardiac Care 2006, October 21-24, 2006. Prague, Czech Republic.

Session: Facilitated PCI for acute MI.

Title: **“Time-dependence of thrombolysis and PCI”**

October 23, 2006 18th Annual Transcatheter Cardiovascular Therapeutics (TCT). 22-27 October 2006, Washington, USA.

Title: **“Flash debate: Should drug-eluting stents be used in primary PCI with the current level of evidence? The data are more than adequate- Why wait?!”**

October 24, 2006 18th Annual Transcatheter Cardiovascular Therapeutics (TCT). 22-27 October 2006, Washington, USA.

Title: **“Comprehensive review and meta-analysis of mechanical devices trials to enhance microcirculatory function during primary PCI: Helpful, Harmful or neutral, and are there device specific differences?”**

October 27, 2006 Top Seminar “Gestione precoce del paziente con STEMI”. Milan, Italy

Title: **“Primary angioplasty”**

17 Novembre 2006 Management delle sindromi coronariche acute. Napoli, 17 Novembre 2006.

Titolo della relazione: **L’angioplastica coronaria in urgenza: PTCA primaria, rescue, facilitata.**

15 Febbraio 2007 2nd MEA ACS Registry Workshop. Il Cairo, Egitto, 15-16 Febbraio 2007

Titolo della relazione: **Translating guidelines into clinical practice.**

16 Febbraio 2007 2nd MEA ACS Registry Workshop. Il Cairo, Egitto, 15-16 Febbraio 2007

Titolo della Lettura Magistrale: **“Updates on the management of STEMI patients”**.

- 6 Marzo 2007 III Corso di Specializzazione in Emodinamica e Cardiologia Interventistica. Istituto Clinico Humanitas, Milano, 6 Marzo 2007.
Titolo della relazione: **“Novità nel trattamento interventistico dell’infarto acuto”**.
- 20 Aprile 2007 XI Workshop on Interventional Cardiology. 19-21 Aprile 2007, Varsavia, Polonia.
Titolo della relazione: **“IIb-IIIa receptor blockage: in the cath lab or upstream?”**
- 20 Aprile 2007 XI Workshop on Interventional Cardiology. 19-21 Aprile 2007, Varsavia, Polonia.
Operatore di angioplastica coronarica in diretta.
- 20 Aprile 2007 XI Workshop on Interventional Cardiology. 19-21 Aprile 2007, Varsavia, Polonia.
Moderatore. Titolo del dibattito: **DES for unproven indication: Primary PCI.**
- 15 Giugno 2007 Corso di Formazione: Infarto miocardio ST sopraslivellato nella pratica clinica. Torino 15 Giugno 2007.
Titolo della relazione: **Ruolo dell’angioplastica con solo pallone.**
- 21 Settembre 2007 Summerschool EliLilly. Vienna 21 2007.
Titolo della relazione: **ESC ACS NSTE GUIDELINES: How and why can We (Cardiologists) improve their implementation**
- 2 Ottobre 2007 XXVIII Congresso Nazionale della Società Italiana di Cardiologia Invasiva. 1-5 Ottobre 2007, Genova, Italia.
Minicorso: Sistemi di assistenza miocardica.
Titolo della relazione: **Assistenza ventricolare nella PCI ad alto rischio di collasso emodinamico: rationale e selezione dei pazienti.**

- 2 Ottobre 2007 XXVIII Congresso Nazionale della Società Italiana di Cardiologia Invasiva. 1-5 Ottobre 2007, Genova, Italia.
Minicorso: Sistemi di assistenza miocardica.
Titolo della relazione: **Sistemi di assistenza percutanea: il Tandem Heart**
- 9 Ottobre 2007 CardioUpdate 2007: Dalla prevenzione cardiovascolare alla gestione integrata del paziente coronaropatico. Novara 9 e 16 Ottobre 2007.
Titolo della lezione: **Attività del Laboratorio di Emodinamico, diagnostica interventistica, Device per la rivascolarizzazione miocardica, gli stent medicati: come cambiano le indicazioni all'angioplastica coronarica. Complicanze nelle procedure diagnostiche ed interventistiche, gestione dei pazienti dopo angioplastica coronarica.**
- 13 Ottobre 2007 Corso di aggiornamento: Esperienze sull'utilizzo delle statine ad alto dosaggio. Siracusa 12-14 Ottobre 2007.
Titolo della relazione: **Esperienze di utilizzo delle statine in emodinamica.**
- 16 Ottobre 2007 Heart and Nurse: La specificità dell'assistenza infermieristica cardiologia.
Titolo della relazione: **Terapia emodinamica PTCA e Stent.**
- 21 Ottobre 2007 Transcatheter Cardiovascular Therapeutics 2007. WASHINGTON 20-25 Ottobre 2007.
Titolo della relazione: **Does Early glycoprotein IIb-IIIa inhibitor administration reduce mortality after primary PCI: First report of the EGYPT Cooperative Study.**
- 22 Ottobre 2007 Transcatheter Cardiovascular Therapeutics 2007. WASHINGTON 20-25 Ottobre 2007.
Titolo della relazione: **Should thrombectomy and distal protection devices in AMI be abandoned: an overview of randomized trials**
- 23 Ottobre 2007 Transcatheter Cardiovascular Therapeutics 2007. WASHINGTON 20-25 Ottobre 2007.

Titolo della relazione: **Critical Appraisal of the EXPORT, EXPIRA and PIHRATE trials.**

23 Ottobre 2007 Transcatheter Cardiovascular Therapeutics 2007. WASHINGTON 20-25 Ottobre 2007.

Titolo della Lettura: **Primary angioplasty in AMI controversies: Door-to-balloon, time and trasport adjunct pharmacology, DES, and multivessel intervention.**

26 Ottobre 2007 Progress in Acute Coronary Syndromes. Roma 25-27 Ottobre 2007.

Titolo della relazione: **Optimal antithrombotic therapy in primary PCI for STEMI.**

14 Novermbre 2007 Riunioni Scientifiche Regionali. Aggiornamenti in tema di valvulopatie, resincronizzazione e malattia coronarica. Torino 14 Novembre 2007.

Titolo della relazione: **Angioplastica facilitata: ci sono evidenze?**

23 Novembre 2007 XXIV Corso di Emodinamica. Briona (NO) 23-24 Novembre 2007.

Titolo della relazione: **Antiplatelet therapies in coronary artery disease: from basic research to bench side.**

26 Novembre 2007 Heart and Nurse: La specificità dell'assistenza infermieristica cardiologia. Novara 26 Novembre 2007.

Titolo della relazione: **Terapia emodinamica PTCA e Stent.**

6 Dicembre 2007 Platelet inhibition: contermporary approach and future expectations. Berlino 6-7 Dicembre 2007.

Titolo della relazione: **Insights in the new ESC guidelines on management of non-ST-segment elevation acute coronary syndromes: clinical implications on the use of Antiplatelet agents?**

15 Dicembre 2007 68° Congresso della Società Italia di Cardiologia. Roma, 15-18 Dicembre 2007. Simposio Meet the Export: Sviluppi nella rivascolarizzazione meccanica nell'infarto acuto con ST-sopraslivellato.

Titolo della relazione: **Prevenzione e trattamento del no-reflow: quale farmaco, quale device e a quale paziente.**

4 Marzo 2008 IV Corso di Specializzazione in Emodinamica e Cardiologia Interventistica. Istituto Clinico Humanitas, Milan.

Titolo: Problematiche nel trattamento dell'infarto miocardico acuto trattato con angioplastica primaria: stent medicati, protezione distale.

4 Aprile 2008 Sorin Technology and Clinical evidence. Calcinaia (PISA), 4-5 April 2008.

Titolo: DES in primary angioplasty: State of the art.

18 Aprile 2008 12th Warsaw Course on Cardiovascular Interventions. Warsaw, April 17-19 2008.

Live Case: In-stent restenosis angioplasty with IVUS and OCT guidance.

18 Aprile 2008 12th Warsaw Course on Cardiovascular Interventions. Warsaw, April 17-19 2008.

Titolo: FINESSE trial: the day after.

14 Maggio 2008 EuroPCR 2008. Barcelona (Spain) 13-16 May 2008.

Titolo: Thrombus management: Evidence today.

24 Maggio 2008 Letteratura e pratica clinica nel paziente ad elevato rischio cardiovascolare: syndrome coronarica acuta, angioplastica, sindrome metabolica, dislipidemia familiare. Salo' (Italy) 23-25 Maggio 2008.

Titolo: Evidenze sull'utilizzo delle statine in Emodinamico: i trias ARMYDA e la pratica clinica.

31 Maggio 2008 XXXIX Congresso Nazionale di Cardiologia dell'ANMCO, Firenze

Titolo: Terapia antiplastrinica precoce: tutto questo ha un senso?

17 Settembre 2008 Reopro Academy 2008. Madrid, Spain. **Titolo relazione: ACS high-risk: state of art.**

17 Settembre 2008 Reopro Academy 2008. Madrid, Spain. **Titolo del Workshop: Risk stratification**

25 Settembre 2008 XXVIX Congresso Nazionale della Società Italiana di Cardiologia Invasiva., 23-26 Settembre 2008, Genova **Titolo relazione: STEMI: Reperfusion therapies**

- 25 Settembre 2008 XXVIX Congresso Nazionale della Società Italiana di Cardiologia Invasiva., 23-26 Settembre 2008, Genova
Titolo relazione: Forget thrombus aspiration...or it depends on
- 12 Ottobre 2008 Transcatheter Cardiovascular Therapeutics 2008. WASHINGTON 12-17 Ottobre 2008.
 Titolo della relazione: **A Pre-Horizons Perspective: Should DES be used in patients with STEMI? Data synthesis and Clinical Recommendations.**
- 13 Ottobre 2008 Transcatheter Cardiovascular Therapeutics 2008. WASHINGTON 12-17 Ottobre 2008.
 Titolo della relazione: **Summary of randomized trials to date in > 3000 patients. What Question remain?**
- 16 Ottobre 2008 Transcatheter Cardiovascular Therapeutics 2008. WASHINGTON 12-17 Ottobre 2008.
 Titolo della relazione: **Manual thrombectomy devices in STEMI: Meta-analysis pre-TAPAS.**
- 4-5 Novembre 2008 Live Science Seminars, Krakow, Poland. Current therapeutic strategies in ACS. Titolo relazione: "Is FINESSE the fianl trial?"
- 20 Novembre 2008 ACS- Network Workshop, Munich.
 Titolo: Bleeding complications in ACS. – Hype or fact? Prevention strategy.
- 18 Novembre 2008 Rinuione regionale SIC, Torino. Aggiornamenti in tema di fibrillazione atrial, imaging 3D ed infarto acuto. Moderazione della sessione dal
 Titolo: Sindromi coronariche acute: Attualità e prospettive future.
- 5 Dicembre 2008 XXV Corso di Emodinamico, Briona. Titolo Relazione: Inibitori delle Glicoproteine Iib-IIIa nello STEMI trattato con PTCA primaria.

- 13 Dicembre 2008 69° Congresso della Società Italia di Cardiologia. Roma, 13-16 Dicembre 2008.
Titolo della relazione: Outcome and optimal antithrombotic therapy in women undergoing fibrinolysis for ST-elevation myocardial infarction.
- 15 Dicembre 2008 69° Congresso della Società Italia di Cardiologia. Roma, 13-16 Dicembre 2008.
Titolo della relazione: Il trattamento dello STEMI nei pazienti anziani
- 13 February 2009** JIM 2009. Rome, 12-14 February 2009
Lecture title: **The CID-Vascular Polymer-free DES technology and DAT duration in real-world PCI.**
- 13 February 2009** JIM 2009. Rome, 12-14 February 2009
Session: Virtual Training session: from Chest pain to balloon: Virtual Emergencies at JIM. Meet the Experts.
Expert
- 29 March 2009** **American College of Cardiology 2009 Annual Meeting. Orlando (USA), 28-31 March 2009**
Lecture title: **Debate:Thromboaspiration is Necessary in Acute MI: Con.**
- 7 April 2009** V Corso di Specializzazione in Emodinamica e Cardiologia Interventistica. Istituto Clinico Humanitas, Milan.
Title: Novità in termini di farmaci: la terapia farmaco invasiva nello STEMI.
- 28 April 2009** Mediterranean Cardiology Meeting 2009. Taormina (Italy), 26-28 April 2009
Lecture title: **Appropriate Reperfusion Strategy accordino to guidelines: State of Art and Recommendation**

- 28 May 2009** OCT, IVUS, FFR: When, where and How. Bergamo 28-29 May 2009.
Session title: **late stent thrombosis: What's being investigated?**
Moderator
- 7 Giugno 2009** 40° Congresso Nazionale di Cardiologia dell'ANMCO, Firenze
Title: **Approccio farmaco-invasivo: un capitolo da ripensare?**
- 20 June 2009** Sim West 2009. Palermo, 18-20 June 2009.
Lecture title: **AMI: trials overview.**
- 26 June 2009** PCI Summer Jam 2009. Essen (Germany), 25-26 June, 2009
Live Case Operator
- 28 June 2009** CID: NEW TECHNOLOGIES and CLINICAL EVIDENCES. Pisa 26-28 June, 2009.
Lecture title: **MATRIX Study: Multicenter Registry with antiplatelet Treatment two – six months. Clinical Protocol & Clinical results @ 12 months**
- 17 July 2009** Advanced Cardiovascular Therapeutics 2009. Chennai (India) 17-19 2009.
Lecture title: **Drug-Eluting Stents or Bare Metal Stents in percutaneous Coronary Intervention during acute myocardial infarction.**
- 17 July 2009** Advanced Cardiovascular Therapeutics 2009. Chennai (India) 17-19 2009.
Live Case Operator.
- 21 September 2009** Transcatheter Cardiovascular Therapeutics 2009. San Francisco 21-25 September 2009.
Title: **DES in Acute Myocardial Infarction (vs. BMS). Case Presentation: Stent Selection in STEMI**

21 September 2009 Transcatheter Cardiovascular Therapeutics 2009. San Francisco 21-25 September 2009.

Session title: The Drug-Eluting Stent Summit Part 1: Appropriate Utilization of Current Generation Devices.

Session II. Controversial DES Clinical Indications.

Discussant

22 September 2009 Transcatheter Cardiovascular Therapeutics 2009. San Francisco 21-25 September 2009.

Lecture Title: **Revascularization Decisions in the Patient with AMI. Stent Selection: BMS vs. DES**

22 September 2009 Transcatheter Cardiovascular Therapeutics 2009. San Francisco 21-25 September 2009.

Session title: **Session I. Case Presentations and Discussion with Integrated Audience Response.**

Discussant

24 September 2009 Transcatheter Cardiovascular Therapeutics 2009. San Francisco 21-25 September 2009.

Session title: **Microcirculatory Protection and Thrombectomy Devices in the Coronary and Peripheral Circulations.**

Session I. Microcirculatory Protection in STEMI.

Panel Moderator.

24 September 2009 Transcatheter Cardiovascular Therapeutics 2009. San Francisco 21-25 September 2009.

Lecture Title: **The STEMI Aspiration Debate: Routine or Selective Use. There Is Enough Evidence for Routine Use!**

24 September 2009 Transcatheter Cardiovascular Therapeutics 2009. San Francisco 21-25 September 2009.

Lecture Title: **DES in STEMI: Do the Data Support Routine Use?**

24 September 2009 Transcatheter Cardiovascular Therapeutics 2009. San Francisco 21-25 September 2009.

Session title: **ACS/AMI Guidelines: A Critical Review
Session II. STEMI Guidelines.**

Discussant

24 September 2009 Transcatheter Cardiovascular Therapeutics 2009. San Francisco 21-25 September 2009.

Lecture Title: **Revascularization and Device Decisions in ACS/AMI and Thrombotic Lesions.**

2 October 2009 Sixth Tyrolean Meeting. Innsbruck 2-3 October 2009.

Session: Emerging Insights on ADP-Receptor-Blockade: Changing the Treatment Paradigm in ACS

Lecture title: **Optimized Antiplatelet Therapy Through Genetic Profiling?**

3 October 2009 Sixth Tyrolean Meeting. Innsbruck 2-3 October 2009.

Session: Crucial Points in Interventional Cardiology

Lecture title: **Iib or Not Iib – This Is the Question.**

3 October 2009 Aggiornamento nella gestione delle sindrome coronariche acute. Stresa 2-3 October 2009.

Lecture title: **Trombolisi e angioplastica: Definiamo il ruolo reciproco.**

22 October 2009 Integrazione pluri-specialistica nella cura del paziente con patologie cardiometaboliche: quali obiettivi?

Session: Le gestione multidisciplinare della patologia cardiometabolica

Lecture title: **Il punto di vista del cardiologo**

PUBBLICAZIONI PER ESTESO

- 1) L Pace, P Perrone-Filardi, P Mainenti, A Cuocolo, P Vezzuto, M Prastaro, A Varrone, **G De Luca**, A Soricelli, S Betocchi, M Chiariello and M Salvatore.

Identification of viable myocardium in patients with chronic coronary artery disease using rest-redistribution Thallium-201 tomography: optimal image analysis.

J Nucl Med 1998; 39; 1869-1874.

- 2) C Capozzolo, F Piscione, **G De Luca**, A Cioppa, P Mazzarotto, D Leosco, P Golino, C Indolfi, M Chiariello.

Direct coronary stenting: Effects on coronary blood flow, immediate and late clinical outcome.

Catheterization and Cardiovascular Intervention 2001; 53: 464-473.

- 3) F Piscione, P Perrone-Filardi, **G De Luca**, M Prastaro, C Indolfi, P Golino, S Dellegrottaglie, M Chiariello.

Low-dose dobutamine echocardiography predicting functional recovery after coronary revascularization.

Heart 2001; 86: 679-86.

- 4) S. Dellegrottaglie, P Perrone-Filardi, L Pace, M Prastaro, MP Ponticelli, AM Della Morte, F Piscione, G Storto, **G De Luca**, M Salvatore, M Chiariello.

Prediction of long-term effects of revascularization on regional and global left ventricular function by dobutamine echocardiography and rest Tl-201 imaging alone and in combination in patients with chronic coronary artery disease.

J Nucl Cardiol 2002; 9:174-82.

- 5) F Piscione, **G. De Luca**, P Perrone-Filardi, M. Prastaro, L. Pace, G. Galasso, G. Marrazzo, M, Salvatore, M, Chiariello.

Relation between contractile reserve, 201-Tl uptake and collateral circulation in collateral-dependent myocardium. Implications regarding the evaluation of myocardial viability.

J Nucl Cardiol 2003; 10: 17-27.

Transradial versus transfemoral approach for percutaneous coronary procedures.
Curr Cardiol Rep 2009; 11: 391-7.

LAVORI PRESENTATI A CONGRESSI INTERNAZIONALI

- 1) F Piscione, C Capozzolo, A Cioppa, P Mazzarotto, **G De Luca**, P Golino, D Leosco, C Indolfi, M Chiariello.
Early results of direct stenting strategy.
Cardiac Interventions 2000 – The new millennium-Ist International Course: From physiology to clinical practice.
Gennaio 2000 - Svizzera

- 2) **G De Luca**, F Piscione, P Perrone Filardi, M Prastaro, S Dellegrottaglie, L Pace, G Galasso, M Chiariello.
Effects of dobutamine in hibernated and stunned myocardial segments. Evaluation of myocardial viability in patients with chronic coronary artery disease and left ventricular dysfunction.
XXII° Congresso della Società Europea di Cardiologia.
Amsterdam 26-30 Agosto, 2000.

- 3) **G De Luca**, F Piscione, P Perrone Filardi, M Prastaro, S Dellegrottaglie, C Indolfi, P Golino, M Chiariello.
Accuracy of low-dose dobutamine echocardiography in predicting functional recovery after revascularization in patients with stenotic or occluded left anterior descending coronary artery.
XXII° Congresso della Società Europea di Cardiologia.
Amsterdam 26-30 Agosto, 2000.

- 4) P Perrone Filardi, S Dellegrottaglie, L Pace, M Prastaro, A Cuocolo, F Piscione, **G De Luca**, M Salvatore, M Chiariello.
Dobutamine echocardiography predicts reversible dysfunction less effectively in hypokinetic than akinetic myocardium.
XXII° Congresso della Società Europea di Cardiologia.
Amsterdam 26-30 Agosto, 2000.

- 5) E Pisani, F Piscione, A Spinazzola, D Leosco, G Sarno, G Marrazzo, **G De Luca**, M Petretta, M Chiariello.
Clinical and procedural determinants of transient creatine kinase release after coronary angioplasty.
XXII° Congresso della Società Europea di Cardiologia.
Amsterdam 26-30 Agosto, 2000.

- 6) F Piscione F, **G De Luca**, P Perrone-Filardi, M Prastaro, L Pace, S Dellegrottaglie, C Indolfi, P Golino, M Chiariello.
Relation among contractile reserve, Tl²⁰¹ uptake and collateral angiographic circulation in collateral-dependent myocardium: clinical implication regarding the evaluation of myocardial viability.
50° Congresso Annuale dell' American College of Cardiology
Orlando 18-21 Marzo 2001
- 7) **G. De Luca**, F. Piscione, A. Spinazzola, G. Sarno, C. Capozzolo, G. Galasso, G. Marrazzo, O. Viola, M. Chiariello.
Corrected TIMI frame count predicts long-term outcome of patients undergoing PTCA.
XXIII° Congresso della Società Europea di Cardiologia.
Stoccolma 1-5 Settembre, 2001.
- 8) **G. De Luca**, F. Piscione, P. Perrone-Filardi, M. Prastaro, L. Pace, G. Galasso, MC De Rosa, M. Chiariello.
Effects of angiographic flow on low-dose dobutamine accuracy in evaluating viability in patients with chronic coronary artery disease and left ventricular dysfunction. Comparison with ²⁰¹Tl SPECT.
XXIII° Congresso della Società Europea di Cardiologia.
Stoccolma 1-5 Settembre, 2001.
- 9) F. Piscione, G. Galasso, A. Pisani, G. Marrazzo, **G. De Luca**, E. Barbato, P. Golino, M. Chiariello.
Effects of late angioplasty of infarct-related artery on left ventricular function and long-term clinical outcome.
XXIII° Congresso della Società Europea di Cardiologia.
Stoccolma 1-5 Settembre, 2001.
- 10) F. Piscione, M. Boccalatte, **G. De Luca**, C. Capozzolo, G. Galasso, G. Marrazzo, G. Visconti, E. Barbato, M. Chiariello.
GIIB-IIIa inhibition before coronary stenting, preserve microcirculation in patients with unstable angina and poor angiographic findings.
XXIII° Congresso della Società Europea di Cardiologia.
Stoccolma 1-5 Settembre, 2001.
- 11) G Galasso, **G De Luca**, G Marrazzo, A Pisani, G Visconti, D Leosco, P Golino, F Piscione.

Late angioplasty of infarct-related artery improves left ventricular function and long-term clinical outcome.

Congresso Annuale dell "American Heart Association"
Anaheim, 11-14 Novembre 2001.

- 12) Z Olivari, F Piscione, P Rubartelli, M D'Urbano, L Paloscia, C Marozzini, S Tolaro, G De Luca, P Giudice.

One-year outcome after successful percutaneous coronary interventions on chronic total occlusions: results from a multicenter prospective study.

51° Congresso Annuale dell' American College of Cardiology.
Georgia 17-20 March 2002.

- 13) G Galsasso, G Iaccarino, F Piscione, E Barbato, G Marrazzo, G De Luca, B Trimarco, M Chiariello.

B2-Adrenergic receptor polymorphism THR164ILE is an independent predictor of severe coronary artery disease.

XXIV° Congresso della Società Europea di Cardiologia.
Berlino 31 Agosto-4 Settembre, 2002.

- 14) G Galsasso, F Piscione, G De Luca, G Marrazzo, G Visconti, O Viola, F Furbatto, M Chiariello.

Smoking status and long-term outcome in a consecutive series of patients with acute myocardial infarction.

XXIV° Congresso della Società Europea di Cardiologia.
Berlino 31 Agosto-4 Settembre, 2002.

- 15) G De Luca, F Piscione, P Perrone-Filardi, M Prastaro, G Galasso, G Marrazzo, O Viola, M Chiariello.

Relation between postprocedural TIMI frame count and functional recovery after revascularization of viable myocardium.

XXIV° Congresso della Società Europea di Cardiologia.
Berlino 31 Agosto-4 Settembre, 2002.

- 16) G De Luca.

Effects of timing of functional recovery after revascularization on rest 201 TL SPECT accuracy in patients with chronically occluded LAD.

XXIV° Congresso della Società Europea di Cardiologia.
Berlino 31 Agosto-4 Settembre, 2002.

- 17) **G De Luca**, F Piscione, P Perrone-Filardi, G Galasso, M Prastaro, M Chiariello.
The timing of functional recovery of viable myocardium after revascularization depends on the degree of resting dysfunction and 201TL uptake in patients undergoing single vessel PTCA of LAD. A three-month and 1-year echo and 201TL SPECT follow-up study.
VII° Congresso Annuale della Società Americana di Cardiologia Nucleare
Baltimora, Maryland 26-29 September 2002
- 18) **G De Luca**, F Piscione, P Perrone-Filardi, G Galasso, G Marrazzo, M Chiariello.
Effects of timing of functional recovery after revascularization on rest 201TL SPECT accuracy in predicting functional recovery of viable myocardium after revascularization in patients with chronic occluded LAD. A 3 and 12-month echocardiographic follow-up.
VII° Congresso Annuale della Società Americana di Cardiologia Nucleare
Baltimora, Maryland 26-29 September 2002
- 19) E Barbato, W Wijns, G Galasso, PL Cirillo, G Iaccarino, **G De Luca**, F Piscione.
Human Coronary Beta-2 Adrenergic receptors are impaired in severe coronary arteriosclerosis.
Congresso Annuale della “American Heart Association”
Chicago, Illinois 17-20 Novembre 2002
- 20) **G De Luca**, H Suryapranata, AWJ van't Hof, JCA Hoorntje, MJ de Boer, JH Dambrink, F Zijlstra.
Relationship between time-to-reperfusion and 30-day mortality in patients with ST-segment elevation myocardial infarction treated by primary angioplasty.
52° Congresso Annuale dell' “American College of Cardiology”,
Chicago, 30 Marzo-2 Aprile 2003
- 21) **G De Luca**, H Suryapranata, N Ernst, AWJ van't Hof, JCA Hoorntje, ATM Gosselink, MJ de Boer, F Zijlstra.
Preprocedural TIMI flow and mortality in patients with acute myocardial infarction treated by primary angioplasty.
XXV° Congresso della Società Europea di Cardiologia
Vienna 30 Agosto-4 Settembre, 2003.

- 22) **G De Luca**, H Suryapranata, N Ernst, AWJ van't Hof, JCA Hoorntje, ATM Gosselink, MJ de Boer, F Zijlstra.
Primary stenting for AMI in the real world. Zwolle 6 randomized trial.
XXV° Congresso della Società Europea di Cardiologia
Vienna 30 Agosto-4 Settembre, 2003.
- 23) JCC van der Horst, **G De Luca**, AWJ van't Hof, JP Ottervanger, F. Zijlstra.
Electrocardiographic evidence of reperfusion after glucose-insulin-potassium infusion in patients with primary angioplasty for acute myocardial infarction: a randomized trial.
XXV° Congresso della Società Europea di Cardiologia
Vienna 30 Agosto-4 Settembre, 2003.
- 24) **G. De Luca**, H Suryapranata, K Thomas, AWJ van't Hof, JCA Hoorntje, MJ de Boer, F Zijlstra.
Outcome In Patients Treated With Primary Angioplasty For Acute Myocardial Infarct Due To Left Main Coronary Artery Occlusion.
5th International Congress on Coronary Artery Disease- From prevention to Intervention.
Firenze, 19-22 Ottobre, 2003.
- 25) G. Galasso, F. Piscione, **G. De Luca**, G. Marrazzo, O. Viola, F. Iorio, F. Furbatto, M. Chiariello.
Smoking habitus and long term outcome in patients with acute myocardial infarction: the smoker's paradox.
5th International Congress on Coronary Artery Disease- From prevention to Intervention.
Firenze, 19-22 Ottobre, 2003.
- 26) **G. De Luca**, H. Suryapranata, JP Ottervanger, AWJ van't Hof, JAC Hoorntje, ATM Gosselink, JHE Dambrink, F Zijlstra, MJ de Boer.
Statin therapy and mortality in patients with acute myocardial infarction treated with primary angioplasty.
52° Congresso Annuale del' " American College of Cardiology",
New Orleans, 6-10 Marzo 2004
- 27) **G. De Luca**, H. Suryapranata, F Zijlstra, JP Ottervanger, AWJ van't Hof, JHE Dambrink, ATM Gosselink, JCA Hoorntje, MJ de Boer.
Randomized comparison between stent and balloon in diabetic patients with STEMI undergoing primary angioplasty. A substudy of the Zwolle-6 randomized trial.
52° Congresso Annuale del' " American College of Cardiology",

New Orleans, 6-10 Marzo 2004

- 28) **G. De Luca**, H, AWJ van't Hof, Suryapranata, JP Ottervanger, ATM Gosselink, JCA Hoorntje, JHE Dambrink, F Zijlstra, MJ de Boer.
Impaired myocardial perfusion is a major explanation of the poor outcome observed in patients undergoing primary angioplasty for STEMI and signs of heart failure.
52° Congresso Annuale del' " American College of Cardiology",
New Orleans, 6-10 Marzo 2004
- 29) **G. De Luca**, H. Suryapranata, AWJ van't Hof, JCA Hoorntje, JP Ottervanger, ATM Gosselink, JHE Dambrink, MJ de Boer
Randomized comparison between stent and balloon angioplasty in patients with STEMI undergoing primary angioplasty of small vessels. A substudy of the Zwolle 6 randomized trial.
XXVI° Congresso della Società Europea di Cardiologia
Monaco 28 Agosto-1 Settembre, 2004.
- 30) **G. De Luca**, H. Suryapranata, JCA Hoorntje, AWJ van't Hof, F. Zijlstra, ATM Gosselink, JHE Dambrink, MJ de Boer
Randomized comparison between stent and balloon angioplasty in patients with anterior myocardial infarction undergoing primary angioplasty. A substudy of the Zwolle 6 randomized trial.
XXVI° Congresso della Società Europea di Cardiologia
Monaco 28 Agosto-1 Settembre, 2004.
- 31) **G. De Luca**, AWJ van't Hof, JP Ottervanger, MJ de Boer, F. Zijlstra, ATM Gosselink, JHE Dambrink, H. Suryapranata
Unsuccessful reperfusion in patients with ST-segment elevation myocardial infarction treated by primary angioplasty. Insights from the Zwolle Myocardial Infarction Study.
XXVI° Congresso della Società Europea di Cardiologia
Monaco 28 Agosto-1 Settembre, 2004
- 32) **G. De Luca**, H. Suryapranata, JCA Hoorntje, AWJ van't Hof, F. Zijlstra, ATM Gosselink, JHE Dambrink, MJ de Boer
Randomized comparison between stent and balloon angioplasty in diabetic patients undergoing primary angioplasty. A substudy of the Zwolle 6 randomized trial.
XXVI° Congresso della Società Europea di Cardiologia
Monaco 28 Agosto-1 Settembre, 2004

33)JR Timmer, **G De Luca**, JP Ottervanger, JCA Hoorntje, MJ de Boer, H Suryapranata, F Zijlstra, AWJ van 't Hof.

Hyperglycaemia reduces myocardial reperfusion after primary percutaneous coronary intervention for ST-elevation myocardial infarction

XXVI° Congresso della Società Europea di Cardiologia
Monaco 28 Agosto-1 Settembre, 2004

34)**G De Luca**, H Suryapranata, JP Ottervanger, and EM Antman.
Time-delay to Treatment and Mortality in Primary Angioplasty for Acute Myocardial Infarction: Every minute delay counts.
XXVI° Congresso della Società Europea di Cardiologia
Monaco 28 Agosto-1 Settembre, 2004

35)**G De Luca**, N Ernst, H Suryapranata JP Ottervanger, JCA Hoorntje, ATM Gosselink, JHE Dambrink, F Zijlstra, MJ de Boer, and Arnoud WJ van't Hof.
Predictors and clinical implications of early reinfarction after primary angioplasty for ST-segment elevation myocardial infarction.
53° Congresso Annuale del' " American College of Cardiology",
Orlando, 6-9 Marzo 2005

36) **G De Luca**, N Ernst, H Suryapranata, JP Ottervanger, JCA Hoorntje, ATM Gosselink, JH Dambrink, MJ de Boer, Arnoud WJ van't Hof.
Inter-hospital delay and mortality in patients with STEMI transferred for primary angioplasty.
53° Congresso Annuale del' " American College of Cardiology",
Orlando, 6-9 Marzo 2005

37)**G De Luca**, H Suryapranata, JP Ottervanger, AWJ van't Hof, JCA Hoorntje, ATM Gosselink, JHE Dambrink, JPS Henriques, F Zijlstra, MJ de Boer.
Circadian variation in myocardial perfusion and mortality in patients with ST-segment elevation myocardial infarction treated by primary angioplasty.
53° Congresso Annuale del' " American College of Cardiology",
Orlando, 6-9 Marzo 2005

38)**G De Luca**, H Suryapranata, JP Ottervanger, AWJ van't Hof, ATM Gosselink, JHE Dambrink, JCA Hoorntje, and MJ de Boer.

Relationship between vessel size and mortality after primary angioplasty for ST-segment elevation myocardial infarction

53^o Congresso Annuale del' " American College of Cardiology",
Orlando, 6-9 Marzo 2005

- 39) **G De Luca**, H Suryapranata, AWJ van't Hof, JP Ottervanger, ATM Gosselink, JHE Dambrink, JCA Hoorntje, and MJ de Boer.

Impact of routine stenting in acute myocardial infarction on myocardial perfusion and the extent of myocardial necrosis: results from a randomized trial in unselected patients

American College of Cardiology, 53^a Annual Scientific Session..
Orlando, 6-9 March 2005

- 40) **G De Luca**, H Suryapranata, AWJ van't Hof, JP Ottervanger, ATM Gosselink, JHE Dambrink, JCA Hoorntje, and MJ de Boer.

Comparison between stent and balloon in elderly patients with ST-segment elevation myocardial infarction undergoing primary angioplasty: A substudy of the Zwolle-6 randomized trial.

53^o Congresso Annuale del' " American College of Cardiology",
Orlando, 6-9 Marzo 2005

- 41) **G De Luca**, H Suryapranata, AWJ van't Hof, JP Ottervanger, ATM Gosselink, JHE Dambrink, JCA Hoorntje, and MJ de Boer.

Comparison between stent and balloon in patients undergoing primary angioplasty for ST-segment elevation myocardial infarction due to proximal left anterior descending coronary artery occlusion: A substudy of the Zwolle-6 randomized trial.

53^o Congresso Annuale del' " American College of Cardiology",
Orlando, 6-9 Marzo 2005

- 42) **G De Luca**, H Suryapranata, GW Stone, D Antoniucci, JE Tchong, FJ Neumann, F Van de Werf, EM Antman, and EJ Topol MD.

Adjunctive abciximab to reperfusion therapy in patients with acute ST-segment elevation myocardial infarction: a meta-analysis of randomized trials.

53^o Congresso Annuale del' " American College of Cardiology",
Orlando, 6-9 Marzo 2005

- 43) **G. De Luca**, J.P. Ottervanger, A.W.J. van't Hof, M.J. de Boer, A.T.M. Gosselink, J.C.A. Hoorntje, J.H.E. Dambrink, H. Suryapranata.

Impact of beta-blocker therapy at discharge on long-term mortality after primary angioplasty for ST-segment elevation myocardial infarction.

Eur Heart J 2005;.26(Abstract Supplement):579.

- 44) **G. De Luca**, H. Suryapranata J.P. Ottervanger, M.J. de Boer, A.T.M. Gosselink, J.C.A. Hoorntje, J.H.E. Dambrink, A.W.J. van't Hof.
Electrocardiographic assessment of myocardial perfusion and long-term outcome in patients with ST-segment elevation myocardial infarction treated by primary angioplasty.
Eur Heart J 2005;.26(Abstract Supplement):46.
- 45) **G. De Luca**, A.W.J. van't Hof, H Suryapranata J.P. Ottervanger, A.T.M. Gosselink, J.C.A. Hoorntje, J.H.E. Dambrink, M.J. de Boer.
Impact of adjunctive Tirofiban administration on myocardial perfusion and mortality in patients undergoing primary angioplasty for ST-segment elevation myocardial infarction.
Eur Heart J 2005;.26(Abstract Supplement):49.

Capitoli in Libri

- 1) F. Piscione, **G. De Luca**, M. Chiariello.
Complicanze cardiovascolari.
In F. Mazzeo: Trattato di clinica e terapia chirurgica
Piccin Nuova Libreria
- 2) F. Piscione, V. Mannaccio, M. Prastaro, G. Galasso, **G. De Luca**.
Cuore: Cenni di anatomia, fisiologia, esame clinico, diagnostica strumentale invasiva e non, cardiologia interventistica.
In F. Mazzeo: Trattato di clinica e terapia chirurgica.
Piccin Nuova Libreria
- 3) **G. De Luca**, H. Suryapranata.
Primary angioplasty for acute myocardial infarction.
In: Kay, Sabate, Costa: Cardiac Catheterization and Percutaneous Intervention.
Martin Dunitz and Parthenon Publishing, 2004
- 4) **G. De Luca**, H. Suryapranata.
PCI for acute myocardial infarction
In A. Hoye and P.W. Serruys: A Colour Handbook of Adult Interventional Cardiology.
Manson Publishing, London (in press)
- 5) **G. De Luca**, H. Suryapranata.
Assesment of TIMI flow and blush
In A. Hoye and P.W. Serruys: A Colour Handbook of Adult Interventional Cardiology.
Manson Publishing, London (in press)
- 6) **De Luca G**, Cassese S, Marino P.

Evaluation of Chest Pain and acute coronary syndrome in the ICU.

In Civetta, Taylor and Kirby's Critical care 4th Edition
Lippincott William and Wilkins (in press)

7) **De Luca G**, Chiariello M.

Papel de la terapia antitrombotica en la angioplastia primaria.

In Moreno Gomez R. Angioplastia primaria: Reperfusion en el infarto agudo de miocardio.

8) **De Luca G**, Suryapranata H, Widimsky P.

Left ventricular angiography and other angiographic techniques.

In Widimský P, Suryapranata H, Vahanian A, Mašura J. Cardiac catheterization & Interventional cardiology in adult patients.
Oxford University Press (in press)

9) **De Luca G**, Suryapranata H.

PCI techniques.

In Widimský P, Suryapranata H, Vahanian A, Mašura J. Cardiac catheterization & Interventional cardiology in adult patients.
Oxford University Press (in press)

10) **De Luca G**, Franchi E, Suryapranata H, Widimsky P.

PCI for chronic stable coronary artery disease

In Widimský P, Suryapranata H, Vahanian A, Mašura J. Cardiac catheterization & Interventional cardiology in adult patients.
Oxford University Press (in press)

11) **De Luca G**.

Pharmacological facilitation in primary angioplasty: myth or reality?

In G. De Luca and A. Lansky. Mechanical reperfusion for STEMI: from randomized trials to clinical practice.
Taylor & Francis, 2009 (in press)

12) **De Luca G**.

Balloon angioplasty or BMS?

In G. De Luca and A. Lansky. Mechanical reperfusion for STEMI: from randomized trials to clinical practice.
Taylor & Francis, 2009 (in press)

13) **De Luca G**.

Mechanical prevention of distal embolization: Rationale and trial results

In G. De Luca and A. Lansky. Mechanical reperfusion for STEMI: from randomized trials to clinical practice.
Taylor & Francis, 2009 (in press)

14) De Luca G.

Redefining the success of mechanical reperfusion: ST-segment resolution.

In G. De Luca and A. Lansky. Mechanical reperfusion for STEMI: from randomized trials to clinical practice.
Taylor & Francis, 2009 (in press)

Editore

Giuseppe De Luca and Alexandra Lansky.
