

BIOTECHNOLOGIES AND MEDICAL TECHNOLOGIES IN THE ALPINE SPACE

SUMMER SCHOOL MEDTECH

July 18-23, 2011
Grenoble, FRANCE

For international PhD and Master degree students
in BioMedical Technology

Registration online
before May 31st:
www.alpsbiocluster.eu

Contribution fees
for the all inclusive package: 260 €

- > participation to the summer school
- > social events
- > accommodation
- > lunches
- > local transportation

www.alpsbiocluster.eu

PROGRAMME

- ⊙ Conferences on applied research in medtech
- ⊙ Medtech companies' visits focused on innovation
- ⊙ Multicultural and multidisciplinary teamworks on concrete medtech projects
- ⊙ Social events to discover Grenoble and surroundings

YOUR BENEFITS

- ⊙ Discover the wide range of Grenoble Medtech assets
- ⊙ Become aware of the industrial challenges
- ⊙ Concretely learn the process of innovation from lab to market
- ⊙ Create links with companies, researchers, and students in your field

Monday July 18th

- 09.00-10.00 **Welcome of the 25 international participants**
Presentation of Alps Bio Cluster and the program
- 10.00-11.00 Presentation of the Medtech sector in Rhône-Alps
- 11.30-12.30 **Conferences on applied research in medtech**
- 12.30-14.00 Lunch
- 14.00-15.30 **Conferences on applied research in medtech**
- 16.00-18.30 **Tour to SQI (SurgiQual Institute), and AIM (augmented intervention in medicine) platform on the thematic « surgical robotic »**
- 19.30 **Social event : Tour to Grenoble and meeting in a pub**

Tuesday July 19th

- 09.00-12.00 **Tour to ESRF (European Synchrotron Radiation Facility) on the thematic « radiation for biomedical »**
- 12.00-14.00 Lunch on site, and transport
- 14.00-18.00 **Works in group of 5 on the process from lab to market for a concrete project, supervised by expert tutors in technology transfer and valorization**

Wednesday July 20th

- 09.00-12.00 **Tour to bioMérieux on the thematic « diagnosis »**
- 12.00-14.00 Lunch on site, and transport
- 14.00-15.00 **Intervention of Roche Diagnostic**
- 15.00-18.00 Teamwork

Thursday July 21st

- 09.00-12.00 **Tour to Becton Dickinson on the thematic « drug delivery »**
- 12.00-14.00 Lunch on site, and transport
- 14.00-14.30 **Intervention of Cecile REAL, president of the Adebag, to present the Medtech sector in Grenoble focused on companies**
