Docente: Steven Louis Singer	Ore : 20 + 30	Corso di Laurea : Medicina e Chirurgia Anno : I, III Semestre : I, II

Obiettivo del modulo

The English course for The School of Medicine is divided into two semesters, 20 hours in the first semester for first year students and 30 hours in the second semester of the third year. Students are expected to demonstrate an ability to understand texts and be able to discuss matters with English speakers also regarding simple medical issues. The course aims at reaching a B2 level as is in line with the Common European Framework of Reference for Languages.

Conoscenze ed abilità attese

The level of English is B2

Programma del corso

Grammar and collocation will be reviewed and more complex forms will be dealt with during the courses. Special emphasis will be given to grammar.

Esercitazioni

Reading and listening comprehension play a fundamental role, alongside grammar exercises which test student's knowledge of the forms taught, with special emphasis on exercises and quizzes commonly used for the First Certificate of Cambridge exam.

Attività a scelta dello studente

Students are encouraged to obtain internationally recognised English certificates.
Gli studenti saranno incoraggiati a sostenere gli esami per ottenere le certificazioni internazionali.
